

# THE GREAT BATTLE OF THE BALLOTS

## The Automobile and Piano Will Be On Exhibition in Astoria in a Few Days

Big special offer closed Thursday evening at 8 p. m., with a rush. Very near all the candidates took advantage of this offer, and now they are very glad they did so, as it will help them along a great deal in the race. Besides they have a big reserve to fall back on in case they run down in the list.

A great number of the popular young ladies who are putting in their leisure days and evenings in securing subscriptions and gathering voting coupons from The Astorian are going to be satisfied with nothing less than the handsome automobile or piano, which is the grand prize and will be on exhibition in a few days. The contest is an easy and a quick way of securing a valuable instrument, something to yield pleasure and delight for a lifetime and to be enjoyed by every member of the family.

The young lady who wins the automobile or piano in this way, wins it by her own effort, her own activity, popularity and ambition.

Friends who subscribe for the paper for a term are really not donating anything from their pockets, since they will receive full value for the amount they contribute to The Astorian which will be sent to any address to which they may remove for the term of which the subscription is paid. The Astorian will not only maintain its present high standard as a clean, newsy, reliable family paper, but will go on improving its columns and so far as possible perfecting its delivery service so that there will be no regrets at having subscribed to help some deserving contestant.

There is a ballot box in the Astorian office where the votes may be deposited for any young ladies whom you may see fit to vote for. If you cannot bring the ballots to the office, send them in by mail to the Contest Manager and the votes will be accorded to the young lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

### HOW TO WIN.

The easiest and quickest way to win is for candidates to ask their friends to prepay their subscription for 6 to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good any time during the contest.

Orders for the prizes will be given the successful contestants at the close of the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any young lady residing in the above mentioned territory is eligible to compete in this contest.

Anyone who desires to vote in this contest may do so by ballots cut from the Daily and Weekly Astorian, or by special vote coupons obtained by subscribing to the Astorian. The coupons secured by subscribing to the Astorian may be held as long as desired and voted at any time up to the desired close of the contest, but ballots cut from the Astorian are only

good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district, but may vote for anybody in the race.

The offer affords the girls of Astoria and surrounding territory an excellent opportunity to travel or receive a business education at the expense of the Astorian.

### DISTRICTS.

The districts will be divided as follows: First district will include all the City of Astoria east of Twenty-second street; second district will include all the City of Astoria east of Ninth street to Twenty-second; third district will include all the City of Astoria west of Ninth street to city limits; fourth district will include all the towns in and around Ilwaco and Chinook; fifth district will include the towns of Hammond, Warrenton and Seaside.

### HOW THE PRIZES WILL BE DISTRIBUTED.

The automobile will be awarded to the young lady receiving the largest number of votes in the five districts. The piano the second grand prize will be awarded to the young lady receiving the second largest vote in the five districts. The trips—one in each district—the lady standing second, will receive the scholarship and the third will each receive the gold watch.

### FRANK J. DONNERBERG.

Frank J. Donnerberg, who several months ago opened a handsome jewelry store at 574 Commercial street, has won a reputation that has brought him what is perhaps the best trade in the city. After 16 years' experience in the large jewelry and watchmaking stores of San Francisco and Portland, Mr. Donnerberg came to Astoria and opened a small place at 110 Eleventh street, confining himself largely to repairing watches, and carrying a small stock of jewelry and watches. His customers found him a good watchmaker and discovered they were given fair treatment and patronized him liberally, enabling him to increase his stock rapidly. Mr. Donnerberg is a broad-minded business man, and his up-to-date stock includes all the newest styles which he purchases from New York and San Francisco wholesalers, and his establishment is a credit to the city.

If the woman Bluebeard of Indiana survived, her defense would probably be that she was insane, with a hallucination that she was running a stock-yards trust.

## THE Harrington Patent Washer

Improved June 4, 1907

The Agitator works on scientific principles, forcing the suds through the clothes by compressed air. Price \$5.00

Use a galvanized tub 17 inches deep and 17 inches wide, with straight sides—not flaring, with drop handles one-third from top of tub is best, although the washer can be used in any tub or boiler. Cover clothes with water deep enough to cover caps of washer when held down. Press down a number of times opposite you at the outer edge of the tub with a quick, firm pressure, before moving the washer. Then move over the width of the machine. The washer can be used, also, to rinse with. Do not overload it and the machine will wash as much as any \$10 washer, and do it easier and in less time. It will wash whole carpets, Oriental rugs, lace curtains, loose wool or wooden comforts. Follow directions and it will please you.
